

Relief India Trust

Dear Donor,

We've been significant in bringing a positive change in the lives of many needy ones. Also, we are glad to share the activities undertaken September 2020.

We are happy to showcase our efforts with a hope that maybe, it will inspire some people to push themselves out of their shell and help the helpless people. Like every month, This September 2020, we are sharing the various activities done by us. Our activities include **food distribution to combat hunger via food distribution, hygiene kits, protein drinks, due to lockdown - a fight against coronavirus** for migrant families, comprising daily wage earners, construction workers and other informal sector workers, have for now lost their sources of income and are finding it difficult to run their households. To mitigate the crisis of Covid -19 would request all donors to stay indoor and pray for healing and safety of everyone. Thanks for your wholehearted support.
